Howdy and welcome to the CHF Website. The website is just in its infancy but I believe it can quickly become a focal point for learning and sharing our Collier family history. CHF was initially established by the descendants of Vines Collier to preserve various Collier burial sites and locations of family interest. The organization successfully brought many family members together to celebrate and preserve our heritage, and new relationships were formed. Through these new relationships, a wealth of Collier genealogical and historical information became available.

I hope to disseminate this information freely using this website. One will be able to download photos and documents and provide comments and input for discussion. I also hope to solicit help in transcribing some of the hundreds, if not thousands, of documents and also garner support for this effort.

That's enough of the introduction. Now enjoy some of the lures I'm posting with a promise for more later.

I was wondering if you had any information on a Joseph Jasper Collier, born 25 March 1832, Carrollton Mississippi, served as a confederate soldier 1861, married Mary Ellen Brisbin 12 oct 1865, died 9 aug 1881. He is my 3rd Great Grandfather, I unfortunately have hit a brick wall in finding his parents names.
